

# First Candle

HELPING BABIES SURVIVE & THRIVE

June 29, 2011

Mr. Kyle Heise  
1249 Jessamine Street  
Cayce, SC 29033

Dear Mr. Heise,

On behalf of the Board of Directors and Staff of First Candle, I would like to thank you for your generous donation of \$250 in memory of **Kylie Marie Heise**. Your contribution will go a long way to help First Candle and our ever-growing team of supporters, researchers, parents, and medical professionals succeed in our mission to promote safe pregnancies and the survival of infants in the first years of life.

At First Candle we are dedicated to achieving our mission through research, advocacy, education and support. During the past year we distributed over 400,000 educational materials to families and organizations in all 50 states. We operate a Bereavement Support Hotline around the clock for the thousands of people affected by SIDS, Sudden Unexpected Infant Death, and Stillbirth. First Candle maintains research partnerships with the best research professionals and hospitals across the country. We affect change by educating policy makers about the results generated by our research partnerships. All of these vital acts are made possible by your generosity.

We cannot thank you enough for your gift to First Candle. If you would like to learn more about our current initiatives, please feel free to contact our staff at 800-221-7437. Together, we will help all babies survive and thrive.

Sincerely,

Susan Gerber-Berning  
Chief Executive Officer

No goods or services were received as a result of this gift. First Candle is a 501©3 nonprofit organization and your gift is tax exempt to the full extent of the law. This letter is your receipt.
